Catered to You

TASTEFUL

MEMORABLE

ABOUT US

Whether you catering for 100 guests or 1000+ guests. We bring you experience and reliability.

With more than a 10 years experience we can plan your special day from food, venue and everything in-between. We offer a full professional service no matter the event size.

OUR CUSTOMERS

Our mouth watering menus are prepared by professional chefs leaving a memorable impression on your Business, long after the carriages. We offer a vast choice of dishes to satisfy your taste buds. Dishes made how you want, the way you want.

AWARD CEREMONIES

From meetings and training days to exclusive business lunches and celebratory annual awards ceremonies, our corporate catering service is a deliciously different and dependable way to take care of all your business hosting and entertaining needs.

Experience the bold flavours, seasonal ingredients and well-sourced produce that are always at the forefront of our menus. We'll incorporate your ideas, budget and timings to create a corporate catering experience that offers so much more than bland, curling sandwiches and uninspired entrées!

EVENT MANAGER

The event manager is the person you will meet and deal with from beginning till the end of your event.

They will help you from the offset and troubleshoot on the day of the event and you will have direct contact leading to the event and will be present on the event day. They will also conduct floor plans and site visits

VENUES

Our experience in various venues gives us huge experience in dealing with planning events.

This has lead us to becoming prepared caterers in some of London's prestigious Hotels and venues
